 Average dressed weight – 5 lb./bird

The breed we raise – We are raising Cornish Rock Cross in our pastured poultry system. They grow quickly, develop a nice, plump breast, and make good use of the new smorgasbord of greens they are moved onto daily.

Where do we deliver? Belmond, Clarion, Garner, Clear Lake, Mason City - to our member delivery sites (mid-May to early July, August to September, October, November and December).
